

# Sedgefield Hardwick Sport Premium Spending

2020-21

In the academic year 2020-21 we received £18,110. The money will be spent to fulfil the following grant conditions:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increasing participation in competitive sport.

Competition SLA from Go Well	Access for all pupils to access a wide range of competitive events and opportunities to participate in different festivals with their peers including: gymnastics, dance, swimming, football, rugby, athletics, orienting, cricket, tennis and basketball. Virtual events, within individual school bubbles, are also being held in light of COVID-19.	Despite COVID-19 hugely restricting competitive events this academic year, a number of virtual events were held. During partial school closures, Captain Taskivator challenges kept pupils active at home, with 92% of pupils enjoying these videos.	The virtual events have inspired bubble events held between pupils from the same class in the Summer term. This planning can be used again in future years.	4, 5,	£1818
Enhanced SLA from Go Well	Provided pupils with 30 hours of specialised coaching – focused on gymnastics, fundamental movement skills and invasion games. Coaches planned with staff for 1 hour prior to each lesson in the block of coaching so that staff were given the opportunity to formulate a lesson structure together. The coach then adopted a facilitator role, allowing the teacher to lead the lesson but always being available to support the teacher as and when required. All staff members had access to specialist coaching at some point during the year. The Move with Max resources, specifically designed for younger pupils, gave a greater variety of PE ideas of the EYFS teachers. A day with Alex Dewar, an Invictus games athlete with an inspirational back story, tied in with the PE and character curriculum.	Staff questionnaire responses stated that 100% of teachers felt the specialist coaching blocks had improved their understanding of how to structure and reshape a PE lesson. Staff comments about the coach (who worked with staff over 2 terms) included, 'Superb support and ideas which I have used in subsequent PE planning and delivery.'	CPD and team teaching has allowed staff to improve their pedagogy – particularly in regard to FMS and invasion games. In observed lessons, staff have used these principles of PE in independent PE units.	2, 3, 4, 5	£5759
Sport Apprentice position	To support the teaching of PE across the school – particularly supporting the LAP and challenging the HAP. Running lunch time activities to engage Nursery pupils in FMS based drills. Supported	100% of staff stated that they found a PE apprentice to be extremely beneficial. Pupils stated that they liked having an	Across KS1 and 2, an average of 87% of pupils were meeting the end points of our PE curriculum, an increase of 4 %	1, 3, 4,	£8174

	staff in running school festivals and competitions – trials, extra training and support at the events.	apprentice, “She helps me to get better by making the rules harder.”	on the previous year. This demonstrated the impact of the Sport Apprentice, particularly in a year badly affected by COVID19.		
Equipment	Needed to deliver an inspiring and engaging curriculum. Required to update equipment for playtime (all bubbles require their own PE equipment) and curriculum PE lessons – equipment is lost and standard of equipment quickly degrades due to daily use.	100% of pupils surveyed enjoyed using the new equipment purchased. 94% of pupils agreed that the new equipment catered for a wide variety of sports.	Equipment will continue to be used in the next academic year.	1,4	£523
PE Kits	PE Kits for all staff members.	95% of staff feel more comfortable teaching PE in the new PE kit.	PE kit will be used again in the next academic year.	2	£945
Sports Day Resources	Costs for Sports Day in July 2021 (if COVID-19 restrictions have been lifted sufficiently).	Allowed Sports Day 2021 to go ahead in a COVID-19 secure way.	Equipment can be used again in the future.	2	£150
Unspent	Unspent funds from the 2020/21 Sport Premium. This amount will be transferred to the funds for the 2021/22 Sport Premium.				£741
				Total	£18,110
